Through the Colegio Peniel Scholarship program, the Colombian Christian Mission has been helping the poor children of Villavicencio receive a quality Christian education. This program was started many years ago and has been an important part of our ministry. Our scholarship program

provides not just an education but also gives these children the tools to provide a better future for themselves, their families, the Colombian Church and the country of Colombia itself.

For only \$300 you can give a child the opportunity to attend one of the best schools in Colombia. 100% of your scholarship funds go to the Colegio Peniel to help pay tuition for the selected child. The Colombian Christian Mission does not deduct anything for processing or handling.

months of the beginning of the school year – usually April or May. Around Christmas a progress report is sent to the sponsor. In this way the scholarship sponsors are able to see how the sponsored student is doing in his/her schoolwork. The rewards of helping a child with his/her education is great and it is a joy to share in this way.

By providing scholarship to these children we are giving them the tools to lift themselves and their families out of poverty. We are also giving them the hope for a brighter future, not only for themselves but for their country. We are also helping to train up the future leaders of the Colombian Church. Proverbs 22:6 tells us to “Train up a child in the way he should go, and when he is old he will not turn from it”. Please partner with us in training up the next generation of Colombians to be Christians who will help reach the country of Colombia for Christ.

If you are interested in helping a child with a scholarship, please fill out the coupon included in this brochure and send it to the Colombian Christian Mission. We will share the good news and blessing with the children in Colombia as soon as we receive your letter in the mail. The smiles and appreciation will be ample reward as a child receives the privilege and honor of being able to attend school, thanks to your generosity!
